

Setting a new industry standard for tilt up construction safety and surface cleanliness solutions.

WHEEL JACKETS™

Wheel Jackets™ — Our Patent Pending Wheel Jackets™ are here to promote safety and provide the protection products you need to keep your job sites safe and clean, at an affordable rate.

Rugged Wheel Jackets — The heaviest duty surface protection on the market.

BIBS — Wheel Jacket™ BIB's have been designed to catch and prevent machine fluid leakage onto floors and finished surfaces.

Generator Containment — Our BIBS are the perfect solution for giving your generator and extra layer between the machine self containment and the earth.

We are a Midwest based company and are available for service and support across the country

WHEEL JACKETS™

About Us

At Wheel Jackets, Safety, Service and Quality are the “Top Priority”. Wheel Jackets provide protection for your jobsites and employees onsite. Being on job sites daily, we understand the need to stay up to date with industry standards. Our products are manufactured to promote safety and withstand the harsh jobsites where you’ll be using them to uphold safety standards and jobsite cleanliness while maintaining schedules. We are a Midwest based company and are available for service and support across the country. We offer flexible and convenient shipping methods that will meet the needs of our customers on a timeline that works for their deadlines.

Our Products

Wheel Jackets are here to promote safety and provide the equipment protection products you need to keep your job sites safe and clean, at an affordable rate, so you can focus on staying ahead of schedule.

A few highlights of our unique design are:

- “Safety orange” color to stand out on-site
- Easy and quick installation
- Stays centered on the tire until removed
- Durable, heavy-duty material to withstand the force of heavy equipment
- Prevents oil stains from engineering machinery from soiling the floor

MISSION: Wheel Jackets are committed to safety by delivering affordable, durable and reliable surface protection products in the industry. We do this by producing high quality surface protection products with safety at the forefront of our design.
